Sir,

I have the honour to submit herewith a copy of the resolution of the Food Supplies Committee at its meeting held on the 17th instant in regard to the allotments of Burma rice, wheat and Bengal gram to be obtained from the Foodstuffs Commissioner for the month of June 1919 and to request that sanction may be accorded thereto.

2. There was no requisition from any of the districts for rice from Bengal, the reason being that this is exceedingly costly. But, I think it desirable to obtain an allotment as usual of 1,000 tons. Owing to the rise in prices of Burma rice, the Bengal rice is likely to be taken up by merchants again.

3. Very early orders are requested so as to enable me to wire to the Foodstuffs Commissioner by the 24th instant.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director
of Civil Supplies in Mysore.
